- MaREI cloud video

Activities & Experiments

Primary School

- Make your own wind turbine

Education

Written by Web Admin

Wednesday, 01 May 2019 00:00 - Last Updated Wednesday, 01 May 2019 14:52

- Mini-turbine
- Energy Quiz
- Calculate your carbon footprint and reduce it
- The Art of Clouds (<https://scied.ucar.edu/activity/art-clouds>)

Secondary School Junior Cycle

- Energy Quiz
- Calculate your carbon footprint and reduce it
- The Art of Clouds (<https://scied.ucar.edu/activity/art-clouds>)
- Flood Chances (<https://scied.ucar.edu/activity/flood-chances>)
- The Systems Game (<https://scied.ucar.edu/activity/systems-game>)
- Get the Picture-Severe Weather (<https://scied.ucar.edu/activity/get-picture-wx>)
- Satellite Storm Search (<https://scied.ucar.edu/activity/satellite-storm-search>)

Secondary School Senior Cycle

- Calculate your carbon footprint and reduce it
- Flood Chances (<https://scied.ucar.edu/activity/flood-chances>)
- The Systems Game (<https://scied.ucar.edu/activity/systems-game>)
- Get the Picture-Severe Weather (<https://scied.ucar.edu/activity/get-picture-wx>)
- Weather and Climate Data Exploration (<https://scied.ucar.edu/activity/weather-and-climate-data-exploration>)
